

**MENINGITIS  
CENTRE  
AUSTRALIA**

*Raising awareness.  
Every second counts.*

***Your donation can help save lives***

Meningitis Centre Australia Inc. provides information and resources to increase awareness of meningitis and diseases such as meningococcal, pneumococcal and sepsis. It also provides support for families affected by the disease and distributes information on other types of meningitis, promotes research initiatives and supports the development of improved vaccines.

***Thank you for your contribution***
